Bob and Jim -

This is to follow-up on our discussion at the EPA/LWG Portland Harbor project managers meeting on August 11, 2010 regarding the deadline for LWG dispute of EPA's directed comments on the Remedial Investigation Report. EPA previously agreed in an email dated July 27, 2010 to set the deadline for invoking dispute resolution 14 days after the EPA/LWG meeting to discuss the directed comments. EPA and LWG are planning to have an initial meeting on Friday August 20, 2010. Because of scheduling limitations the last two weeks of August it was agreed that some time should be allowed for follow-up discussions, if necessary, early in September. The new deadline for invoking dispute resolution on the directed comments is September 24, 2010.

We look forward to our discussions this Friday and a timely resolution of the comments. Please let us know if you have any questions.
